### CARDS

It is required that newbie stampers attend the Intro to Stamping class before attempting the more advanced stamping classes.

#### **INTRODUCTION TO STAMPING (SC)**

Learn the basics you need to start stamping. This is a hands on class where you will learn all about the types of inks we use, embossing and so much more. Fun and informative. This class is also great for scrapbookers wanting to stamp in your scrapbooks. All materials supplied, no need to bring anything.

#### **COMPACT CARD (RJ)**

You will fall in love with this cute little card when you see it. It looks like a make up compact, complete with "eyeshadows" & a mirror. The perfect card for someone special, it comes in its own presentation box.

#### **CUTTLEBUG CARDS (SN)**

4 new cards from Sarah. Can't tell you what they're like at this stage, but you know they'll be beautiful. If you have a Cuttlebug, please bring it to class, along with any folders & dies. A kit will be available to purchase at the class, containing all the supplies you will need to complete your card. Don't forget your basic tool kit.

#### **HANDBAGS (RJ)**

If you find bags & shoes hard to resist, Robyn's next 2 classes will be perfect for you. This month, you can make 3 gorgeous handbag cards, each with it's own unique "purse-onality". Come next month to make coordinating shoes. A kit will be available at the class, the chocolate won't be included ☺

### SCRAPBOOKING

It is recommended that all newbie scrappers attend the Scrapbooking Intro class. You must supply all your own consumables, materials & adhesives, for all classes. Please check at time of booking for any additional class requirements.

#### **INTRO TO SCRAPBOOKING (DB)**

A free class covering the basics of scrapbooking. You will need to bring 4 photos, 2 of which can be cropped to 4" square. Basic tools will be supplied, papers and supplies can be purchased on the day.

#### **SHAPED TO PERFECTION (RW)**

Step outside the scrappy square! Layouts do not have to be squares or rectangles, or even have straight sides. In this class we will create 3 shapely layouts.

#### **THREE FROM THREE (JH)**

Want to be thrifty but creative too, or just love some paper so much that you want to use every last bit of it? In this class you will follow my sketches to create 3 single page layouts from 3 pieces of patterned paper. Please ask for a materials list.

#### **FOLLOW THAT SKETCH (JH)**

Follow Jenny's sketch for a double page layout, with a little extra, and then make it your own unique creation with your choice of papers & embellishments. A materials list will be provided.

#### **FANTALES (RA)**

This layout incorporates a fashionable fan with a photo on each span. The fan lays open on the page but closes to reveal another photo behind it. This layout is good for showing how people or places have changed over time as each span of the fan contains a photo. This layout is particularly neat for Pixie Photos & school photos.

#### **BIG & LITTLE (JH)**

Make a double & a single layout using an enlargement & an assortment of smaller photos. A requirements list will be available.

#### **SWEET CUPCAKE (SN)**

Yummy scrummy paper piecing suitable for photos of cupcakes, birthday celebrations or just your sweet little one.

#### **CLEARLY TRANSPARENT. (RW)**

In this fun class we will be using a variety of clear elements. Together we will create a layout, a card & decorate an environmental shopping bag.

### SPECIAL EVENT

#### **SHABBY CHIC WORKSHOP (JH)**

Would you like to shabby up your layouts? Come along & learn the concepts behind this feminine style. Choose ideas from various display pages put together your own complete page. Learn how to incorporate new mediums like gesso & texture paste (reasonable use of store supplies included in class cost). Bring along needles & threads & learn some hand stitching techniques.

You will need your photo, any paper you have (a good selection would be soft pastels, white, tan & script/typed paper), paintbrush, tweezers, soft mouse pad spatula or pate knife, texture paste & any decorative scraps that coordinate with your paper choices eg ribbons, lace, paints, buttons (especially browns) beads, tags, charms, chipboard diecuts, flowers, buckles... We have a selection of Judé's beautiful layouts on display, have a look at her style to help you decide what to bring.

### CROPS

**Bookings are essential for all crops.**

#### **CROP NIGHTS**

Come & join in the madness and mayhem of 5 hours of scrapbooking without distraction! A room of scrap-a-holics having fun, plenty of ideas, and tools\* available for your use. Supper is provided. The Saturday night Pizza crop includes yummy Pizza Capers Pizza for dinner.

#### **CARD MAKING DAY**

Card makers fight back! Just like a free crop day, only instead of scrapbook layouts, we make cards. All card makers are welcome, please call to book your place. What to bring :- your card making supplies, such as stamps & ink, card & paper, embellishments, cuttlebug and accessories. Class tools, such as the Sizzix & class punches are available for your use. Please bring a plate of food to share for lunch.

#### **MOTHER & CHILD CROP (8 years & up)**

Here's another option for school holiday entertainment - a day spent scrapbooking with your kids. Stay for an hour, or the whole day. BYO lunch, there's plenty of room in the fridge.

**\*Please note: The store Cuttlebug & Cricut are not available for use. If there is one being used, it does not belong to the store but is the property of another cropper.**
