Adorned with a scattering of flowers & birdies these cards will be a sure hit with any lucky recipient. Please ask for a requirements list of materials & tools not included in your kit.

CUTTLEBUG CARDS (SN)

At this stage, all I have from Sarah is that they are cards that can be used for Mothers Day & birthdays. I'm sure they'll be great. Please ask for a requirements list of materials & tools not included in your kit.

There will be a demonstration of a technique or product in the morning, and the rest of the day will be unstructured "play". Think altered books, ATC's, shrines...whatever you'd like to create, just because you can. We'll also provide lunch for you.

*Please note: The store Cuttlebug & Cricut are not available for use. If there is one being used, it does not belong to the store but is the property of another cropper.

CLASS POLICIES

Classes must be paid for when you make your booking, or as soon as possible afterwards, in order to secure your place. Late cancellations (within 48 hours of a scheduled class) will result in a forfeit of your class fee. If we cancel a class/crop, you may use your class payment as a credit towards another class, or receive your money back. Classes are for your personal use only.

If you sell and/or teach stamping and/or scrapbooking supplies & classes for financial gain, please refrain from taking our classes.

CLASS PREPARATION

To make sure you get maximum enjoyment out of your class, please ensure you have gathered your necessary supplies before the class. The store doors will be locked until 10 minutes before evening & "first up" classes are due to start, after which time the teacher will be welcoming students & helping you settle, ready to start the class on time. We are open 7 days a week, and are happy to help you pick your supplies for your upcoming class during store hours.

Please mark all of your belongings clearly, & check that you have them at the end of the class.
