CARDS

It is required that newbie stampers attend the Intro to Stamping class before attempting the more advanced stamping classes.

INTRODUCTION TO STAMPING (SC)

Learn the basics you need to start stamping. This is a hands on class where you will learn all about the types of inks we use, embossing and so much more. Fun and informative. This class is also great for scrapbookers wanting to stamp in your scrapbooks. All materials supplied.

STARRY STARRY NIGHT - CUTTLEBUG CARDS (SN)

Make 4 blue & silver Christmas cards, using your Cuttlebug to embellish your designs. All papers & embellishments are in a kit, available for purchase on the day. Please bring your basic tool kit, and your Cuttlebug & accessories if you have them.

FAST & FAB CHRISTMAS CARDS (RJ) (STAMPING)

Make 4 fast & easy cards, using gorgeous glittery papers & Spellbinder dies. There's some stamping & colouring involved.

****WINTER WONDERLAND (SC) (STAMPING)**

Stay cool this Christmas, create your own white Christmas with some snowmen themed Christmas Cards. Think sparkle, glitter & bling. All papers & embellishments are included in your class fee. Please bring your colouring medium of choice, as well as your basic tool kit, & your camera. This is a repeat of the November weekend class.

CHRISTMAS CARDS ARE A HOOT (SC) (STAMPING)

Can you guess what one of the little critters on this month's cards will be? All your card, paper & embellishments are included in the class fee. Please bring along your colouring medium of choice, basic tool kit, and your camera to take photos of the class cards in case you don't finish your own.

OFF THE PAGE

You must supply all your own consumables, materials & adhesives, for all classes. Please check at time of booking for any additional class requirements.

****TIN O' TAGS (JM)**

Make 10 gift tags & present them in a handy coordinating refillable tin. A gorgeous gift to give away (makes a nice change from choc coated almonds, for all those teachers out there), or to keep for yourself.

2009 CALENDAR (JM)

If you're looking to give an individual and inexpensive gift to someone special then this is the perfect class for you. We will be assembling & embellishing a 5" square blank 12 month calendar, using diecuts from the newly released Making Memories Slice. See in store for Jini's fabulous sample.

CHRISTMAS CAKE (RA)

Ever been caught out with last minute drop-in Christmas visitors? Well, not this year. Create a festive cake, with 10 slices. Each slice is made with a template & decorated with a faux jam centre, a topping of "icing", flowers & leaves. Looks good enough to eat! Each slice has room enough to fit a little gift, such as soap, a candle, chocolate, a Christmas decoration or party favours. I'm using this cake instead of bon bons this year - the cake looks scrumptious on a Christmas table.

**Repeat class from a previous month. All other classes feature new designs.

SCRAPBOOKING

It is recommended that all newbie scrappers attend the Scrapbooking Intro class. You must supply all your own consumables, materials & adhesives, for all classes. Please check at time of booking for any additional class requirements.

INTRO TO SCRAPBOOKING (DB)

A free class covering the basics of scrapbooking. You will need to bring 4 photos, 2 of which can be cropped to 4" square. Basic tools will be supplied, papers and supplies can be purchased on the day.

PAPER PIECING WORKSHOP - CHRISTMAS ICONS (DD)

Piece together a collection of Christmas themed accents for your pages (or last minute Christmas cards?) in Donna's last 4 hour workshop for the year. Get a head start on your Christmas 2008 pages, or catch up on Christmas' past.

ECLECTIC COLLECTION (JM)

Quickly & creatively complete both a double page & a single 12" layout, to showcase those 4"x6" photos. This is a great design to use up paper scraps too pretty to throw away, as well as extra bits & pieces from your stash.

CROPS

Bookings are essential for all crops.

CROP NIGHTS

Come & join in the madness and mayhem of 5 hours of scrapbooking without distraction! A room of scrap-a-holics having fun, plenty of ideas, and tools* available for your use. Supper is provided. The Saturday night Pizza crop includes yummy Pizza Capers Pizza for dinner.

STAMP CLUB

Stampers fight back! Just like a free crop day, only with stamping. All stampers are welcome, there is no secret society you need to join first, but you will need to book your place. What to bring :- stamps, your own consumable supplies and a plate of food to share for lunch. This is a really enjoyable day for those who like to stamp with good company and good food.

MOTHER & CHILD CROP (8 years & up)

Here's another option for school holiday entertainment - a crop day with the kids.

***Please note: The store Cuttlebug & Cricut are not available for use. If there is one being used, it does not belong to the store but is the property of another cropper.**

CLASS POLICIES

Classes must be paid for when you make your booking, or as soon as possible afterwards, in order to secure your place. Late cancellations (within 48 hours of a scheduled class) may result in a forfeit of your class fee. If we cancel a class/crop, you may use your class payment as a credit towards another class, or receive your money back. Classes are intended for your personal use only.

If you sell stamping and/or scrapbooking supplies, and teach stamping and/or scrapbooking classes for financial gain, please refrain from taking our classes.
