CARDS

It is required that newbie stampers attend the Intro to Stamping class before attempting classes that incorporate stamping.

INTRODUCTION TO STAMPING (SC)

Learn the basics you need to start stamping. This is a hands on class where you will learn all about the types of inks we use, embossing and so much more. Fun and informative. This class is also great for scrapbookers wanting to stamp in your scrapbooks. All materials supplied, no need to bring anything.

ANGELIC CHRISTMAS CARDS (KT)

Create 4 "Angelic" cards for Christmas using the soft and sweet vintage Angels from the Graphic 45 range. Please ask for a requirements list of materials & tools not included in your kit.

CUTTLEBUG CHRISTMAS CARDS (SN)

Last chance to get some handmade Christmas cards sent out this year, with Sarah's final card class for 2009. If you own, or can beg, borrow or steal a Cuttlebug, please bring it to class, along with any folders & dies. A kit will be available to purchase at the class, containing all the supplies you will need to complete your card. Don't forget your basic tool kit.

SCRAPBOOKING

It is recommended that all newbie scrappers attend the Scrapbooking Intro class. You must supply all your own consumables, materials & adhesives, for all classes. Please check at time of booking for any additional class requirements.

INTRO TO SCRAPBOOKING (DB)

A free class covering the basics of scrapbooking. You will need to bring 4 photos, 2 of which can be cropped to 4" square. Basic tools will be supplied, papers and supplies can be purchased on the day.

SEEING STARS (JC)

Stars are the theme for this class. You will use pattern paper & bazzill to make stars on 3 very different layouts. They will suit girls, boys & even Christmas photos. So lets have fun & get those stars done. Please ask for your requirements list.

REINDEER PAPER PIECING (DD)

Such a cute little reindeer! Paper piece this little fellow to adorn a special Christmas page. Please ask for a requirements list of materials & tools not included in your kit.

THREE FROM THREE (JH)

Want to be thrifty but creative too, or just love some paper so much that you want to use every last bit of it? In this class you will follow my sketches to create 3 single page layouts from 3 pieces of patterned paper. Please ask for your requirements list.

LOVIN' SUMMER SCRAPBOOK WORKSHOP (AL)

Come join me in this bumper workshop where we will lay the foundations to make 8 spectacular pages!! I have chosen the bright & whimsical new range from Crate Paper called "Seasons" to work with this month. It features cute little birdies, rainbows, clouds & flowers but would make perfect pages for boys or girls! We will be using all the papers from the range as well as the die cut paper & chipboard pack to match. It will be a kit class with a very small requirements list of some additional embellishments such as ribbons & buttons. I will provide full cutting instructions & sketches on the day so you will easily be able to finish off the layouts after the class. Please ask for a requirements list of materials & tools not included in your kit.

FAST & FABULOUS (HM)

Follow Hannah's designs to create 3 fabulous & different pages in this 2 hour class. Please ask for your requirements list.

CHRISTMAS PAST ALBUM LAYOUT (RA)

I've used the gorgeous Graphic 45 papers to create this layout. The layout features a six page album using the "Frames" papers, where photos can be hidden behind the frames. The album holds 12 photos of varying sized photos. This quick & easy layout will have you prepared to just slot your photos into it after Christmas Day!

CROPS

Bookings are essential for all crops.

12 HOUR CHRISTMAS CROP (WITH PIZZA!)

We've combined our 2 most popular crops & come up with a Festive winner. 12 hours to scrapbook, make cards, do an off the page project or just chat & eat. There will be plenty of food with no preparation or cleaning required by you, & bed at a reasonable time. Fantastic! We'll take care of your lunch, afternoon tea, pizzas from Pizza Capers & supper.

CARD MAKING DAY

Card makers fight back! Just like a free crop day, only instead of scrapbook layouts, we make cards. All card makers are welcome, please call to book your place. What to bring :- anything you use when making cards, such as stamps & ink, card & paper, embellishments, Cuttlebug and accessories. Class tools, such as the Sizzix & class punches are available for your use. Please bring a plate of food to share for lunch.

*Please note: The store Cuttlebug & Cricut are not available for use. If there is one being used, it does not belong to the store but is the property of another cropper.

CLASS POLICIES

Classes must be paid for when you make your booking, or as soon as possible afterwards, in order to secure your place. Late cancellations (within 48 hours of a scheduled class) will result in a forfeit of your class fee. If we cancel a class/crop, you may use your class payment as a credit towards another class, or receive your money back. Classes are intended for your personal use only.

If you sell stamping and/or scrapbooking supplies, and teach stamping and/or scrapbooking classes for financial gain, please refrain from taking our classes.

CLASS PREPARATION

To make sure you get maximum enjoyment out of your class, please ensure you have gathered your necessary supplies **before** the class. **The store doors will be locked until 10 minutes before evening & "first up" classes are due to start**, after which time the teacher will be welcoming students & helping you settle, ready to start the class on time. We are open 7 days a week, and are happy to help you pick your supplies for your upcoming class during store hours.

Please mark all of your belongings clearly, & check that you have them at the end of the class.
