You will need to bring a basic tool kit of a jumper (to keep warm), ruler, pencil, rubber, craft trimmer, craft knife, reamer, bone scorer, double sided & foam tape & glues along to all classes.

CARDS

It is required that newbie stampers attend the Intro to Stamping class before attempting the more advanced stamping classes.

INTRODUCTION TO STAMPING (SC)

Learn the basics you need to start stamping. This is a hands on class where you will learn all about the types of inks we use, embossing and so much more. Fun and informative. This class is also great for scrapbookers wanting to stamp in your scrapbooks. All materials supplied.

MATCHBOOK WONDERS (RJ) *basic stamping skills required

Want a card that's just a little different? Robyn has designed 3 Matchbook style cards, complete with some glamour gals. Elegant with just a little sparkle. A class kit will be available to purchase at the class, with all the bits & pieces needed to complete your cards. You'll need your 12" trimmer for this class, as well as your usual supplies.

TAGS TO TREASURE (JM) *stamping skills required

Does playing around with paints, papers, inks & sprays, together with stamps, images & dimensional embellishments sound like something you'd like to dabble with? Well, that's exactly what you'll be doing in this jam packed class. Create 4 unique tag art pieces then use them to decorate some original cards, ready to give to someone special. Class cost includes the use of materials. A requirements list will be available.

CUTTLEBUG CARDS (SN)

This class is going to be such a surprise. All I can tell you at this stage is that you will make 4 cards, using the Cuttlebug & various cutting dies & folders. If you have a Cuttlebug, please bring it to class, along with any folders & dies. A kit will be available to purchase at the class, containing all the supplies you will need to complete your card. Don't forget your basic tool kit.

THANK YOU IN ADVANCE (SC) *basic stamping skills required

It's so nice to be able to give someone a thank you card, letting them know you really appreciate them. It's even nicer if you have a supply of cards ready to give out. Complete 14 different & elegant thank you cards in this class. They come in a presentation box, so they're perfect for a gift. Your kit includes all materials needed to complete the cards & presentation box. Remember your 12" trimmer, double sided tape & foam tape. Bring your own brown ink & dauber if you like your cards to have that distressed edged look to them.

SCRAPBOOKING

It is recommended that all newbie scrappers attend the Scrapbooking Intro class. You must supply all your own consumables, materials & adhesives, for all classes. Please check at time of booking for any additional class requirements.

INTRO TO SCRAPBOOKING (DB)

A free class covering the basics of scrapbooking. You will need to bring 4 photos, 2 of which can be cropped to 4" square. Basic tools will be supplied, papers and supplies can be purchased on the day.

ELEPHANT PAPER PIECING (DD)

This little fellow will shower your family & friends with love. One pattern will give you 2 different looks.

THREE FROM THREE (JH)

Want to be thrifty but creative too, or just love some paper so much that you want to use every last bit of it? In this class you will follow my sketches to create 3 single page layouts from 3 pieces of patterned paper. Please ask for a materials list.

CLEAN & SIMPLE (JH)

Embrace the white space. It's clean, it's simple, it's uncluttered. Complete 4 layouts in this 2 hour class.

DIORAMA (RA)

Create a unique shadow box easily with only 2 sheets of 12 cardboard. Display a cherished photo & accessorise it with 3D frippery to suit your décor, ready to hang on your wall. Mine is Christmassy, waiting for the next festive season.

6 PAGE LAYOUT (JH)

If you have a lot of photos from the one event, but don't want them taking up page after page in your album, this class could be exactly what you've been waiting for. Jenny uses flip refills to make a 6 page spread in a 2 page space. Ask for a materials list when booking.

THE FAB FIVE (KT)

Do you have a set of candid photos (5) that tell a great story & you just couldn't pick one, then let's use them all to create a double page layout. Make the most of your patterned papers by cutting small details, then learn to fold your own flow-ers to coordinate simple & stylish embellishments for our pages. Finish off using our scraps to make a coordinating card.

I DID IT MY WAY (JM)

Whether its layouts or cards you're into, the emphasis is on uniqueness in this class. Find out how easy it is to make your own coordinating embellishments, then incorporate them into a 12x12 layout and a card.

DOUBLE UPS (DD)

Get more pages for your pattern. In this 2 hour class, see how easy it is to adapt the same basic sketch to make 2 very different double page layouts.

CRYSTAL CLEAR (RA)

Create a unique layout using mostly all things clear - rubons, acetate, clear frames, clear letters, clear buttons & inking. The page features a main 4"x6" photo & showcases a mini album made from acetate which includes up to 6 photos.

TIMELESS HERITAGE PAGES (DB)

Do you have some heritage photos to preserve, and are looking for some inspiration? Debra has 3 layouts for you, 1 double & 2 single. Do them all in this 2 hour class, or just choose one to complete, the choice is yours.

CROPS

Bookings are essential for all crops.

CROP NIGHTS

Come & join in the madness and mayhem of 5 hours of scrapbooking without distraction! A room of scrap-a-holics having fun, plenty of ideas, and tools* available for your use. Supper is provided. The Saturday night Pizza crop includes yummy Pizza Capers Pizza for dinner.

CARD MAKING DAY

Card makers fight back! Just like a free crop day, only instead of scrapbook layouts, we make cards. All card makers are welcome, please call to book your place. What to bring :- your card making supplies, such as stamps & ink, card & paper, embellishments, cuttlebug and accessories. Class tools, such as the Sizzix & class punches are available for your use. Please bring a plate of food to share for lunch.

***Please note: The store Cuttlebug & Cricut are not available for use. If there is one being used, it does not belong to the store but is the property of another cropper.**

CLASS POLICIES

Classes must be paid for when you make your booking, or as soon as possible afterwards, in order to secure your place.
