You will need to bring a basic tool kit of a jumper (to keep warm), ruler, pencil, rubber, craft trimmer, craft knife, reamer, bone scorer, double sided & foam tape & glues along to all classes, including those in which a kit is provided.

CARDS

It is required that newbie stampers attend the Intro to Stamping class before attempting classes that incorporate stamping.

INTRODUCTION TO STAMPING (SC)

Learn the basics you need to start stamping. This is a hands on class where you will learn all about the types of inks we use, embossing and so much more. Fun and informative. This class is also great for scrapbookers wanting to stamp in your scrapbooks. All materials supplied, no need to bring anything.

LAYERS & LAYERS (KT)

Using the beautiful Graphic 45 "Masterpiece" sheet as our focus we will construct 3 cards & 3 tags using papers, ribbon & fabric to layer & embellish. Elegant & also suitable for a Valentines Day card.

NICE KNICKERS CARDS (RJ)

Valentine's Day is zooming up fast. Robyn has some saucy undies that will make a perfect Valentines Day card for your special someone. Make 2 shaped cards & 2 "normal" lingerie themed cards in this 3 hour kit class. Some stamping experience is essential.

****PRISMACOLOUR PRACTICE (SC)**

This class is all about colouring. You won't be leaving with any cards, but you will have learnt how to colour & shade using Prismacolour Premier (wax based, not watercolour) pencils. If you have Prisma pencils (or another brands equivalent) please bring them, along with stumps & thinner (ask if you have no idea what I'm talking about)

SCRAPBOOKING

It is recommended that all newbie scrappers attend the Scrapbooking Intro class. You must supply all your own consumables, materials & adhesives, for all classes. Please check at time of booking for any additional class requirements.

INTRO TO SCRAPBOOKING (DB)

A free class covering the basics of scrapbooking. You will need to bring 4 photos, 2 of which can be cropped to 4" square. Basic tools will be supplied, papers and supplies can be purchased on the day.

CHRISTMAS PAPER PIECING (DD)

Who am I? My droll little mouth is drawn up like a bow; and my beard and my whiskers are as white as the snow! Come along & paper piece this iconic Christmas character. Please ask for a requirements list of materials & tools not included in your kit.

CRATE PAPER CHRISTMAS WORKSHOP (AL)

With the festive season over for another year it's time to put all those candid snaps to good use! Join me for a day jam packed with Christmas scrapping! We will be using the North Pole Collection from Crate Paper to create a series of layouts. The papers are lovely, bold but not too bright, traditional Christmas colours of red, green, brown & blue, with not a snowflake in sight! Please ask for a requirements list of materials & tools not included in your kit.

BOY OH BOY (JC)

Create a double page and 2 single page layouts starring the boys in your life. These pages are easily adapted to whatever theme photos you may have. Please ask for a requirements list when booking your class.

FASHION WEEK (JudeH)

Come along & use some border punches with Judi, to create this layout. It's all about fashion, using hand made pockets to hold design samples. So, go through your photo stash & find something suitable. Here are some ideas...a photo of yourself in the 80's, looking fabulous, a photo of the kids playing dress ups, a photo of teenagers at their school formal, or simply teenagers looking like teenagers - that can be a fashion statement on its own!! Please ask for a requirements list of materials & tools not included in your kit.

CROPS

Bookings are essential for all crops.

PIZZA CROP

Come & join in the madness and mayhem of 5 hours of scrapbooking without distraction! A room of scrap-a-holics having fun, plenty of ideas, and tools* available for your use. Supper is provided. The Saturday night Pizza crop includes yummy Pizza Capers Pizza for dinner.

CARD MAKING DAY

Card makers fight back! Just like a free crop day, only instead of scrapbook layouts, we make cards. All card makers are welcome, please call to book your place. What to bring :- anything you use when making cards, such as stamps & ink, card & paper, embellishments, Cuttlebug and accessories. Class tools, such as the Sizzix & class punches are available for your use. Please bring a plate of food to share for lunch.

***Please note: The store Cuttlebug & Cricut are not available for use. If there is one being used, it does not belong to the store but is the property of another cropper.**

CLASS POLICIES

Classes must be paid for when you make your booking, or as soon as possible afterwards, in order to secure your place . Late cancellations (within 48 hours of a scheduled class) will result in a forfeit of your class fee. If we cancel a class/crop, you may use your class payment as a credit towards another class, or receive your money back. Classes are intended for your personal use only.

If you sell stamping and/or scrapbooking supplies, and teach stamping and/or scrapbooking classes for financial gain, please refrain from taking our classes.

CLASS PREPARATION

To make sure you get maximum enjoyment out of your class, please ensure you have gathered your necessary supplies **before** the class. **The store doors will be locked until 10 minutes before evening & "first up" classes are due to start**, after which time the teacher will be welcoming students & helping you settle, ready to start the class on time. We are open 7 days a week, and are happy to help you pick your supplies for your upcoming class during store hours.

Please mark all of your belongings clearly, & check that you have them at the end of the class.

****Repeat class from a previous month.**
