It is required that newbie stampers attend the Intro to Stamping class before attempting the more advanced stamping classes.

INTRODUCTION TO STAMPING (SC)

Learn the basics you need to start stamping. This is a hands on class where you will learn all about the types of inks we use, embossing and so much more. Fun and informative. This class is also great for scrapbookers wanting to stamp in your scrapbooks. All materials supplied, no need to bring anything.

COMPACT CARD (RJ)

You will fall in love with this cute little card when you see it. It looks like a make up compact, complete with "eye shadows" & a mirror. The perfect card for someone special, it comes in its own presentation box.

HANDBAGS (RJ)

If you find bags & shoes hard to resist, Robyn's next 2 classes will be perfect for you. This month, you can make 3 gorgeous handbag cards, each with it's own unique "purse-onality". Come next month to make coordinating shoes. A kit will be available at the class, the chocolate won't be included ☺

KWIK KARDS (RW)

In this class we will make 6 fun, quick & easy cards, & a mini card file to store them in.

CUTTLEBUG CARDS (SN)

Fancy envelopes were the inspiration for this set of 4 cards. If you own, or can beg, borrow or steal a Cuttlebug, please bring it to class, along with any folders & dies. A kit will be available to purchase at the class, containing all the supplies you will need to complete your card. Don't forget your basic tool kit.

PAPERARTS

VINTAGE COMPENDIUM (RA)

This compendium features papers from the Graphics 45 range which create a nostalgic feel. It contains notelets & envelopes which are stowed in pockets as well as a slot for a pen. A kit is provided for this class (excludes pen). Makes a neat gift if you can bear to part with it!

PIANO HINGE BOOK (KT)

Using the stylish range of "Communique" papers from Graphic 45 we will be constructing, binding & decorating a "piano hinge" book. This is an eye catching book that looks a lot harder to do than it actually is!! You will be able to tailor your book to suit whether you want a fabulous journal, a memory book, a keepsake book or a bit of everything. A paper kit will be available for purchase at the class, and a requirements list of incidental supplies will be available at the time of booking. Please note, this is a repeat of the class held in June.

ITS ALL ABOUT FAMILY (JC)

If you have that one special photo you love then this is the class for you. In this class you will do 4 single page layouts with a 6"x8" enlargement on each. That family photo you love, the photo of you & your son or grandson, you & your daughter or granddaughter, & also that photo of yourself & your husband. YES, it's time to do yourself. So lets get scrappin'. Don't forget to pick up a requirements list.

THREE FROM THREE (JH)

Want to be thrifty but creative too, or just love some paper so much that you want to use every last bit of it? In this class you will follow my sketches to create 3 single page layouts from 3 pieces of patterned paper. Ask for the materials list.

6 PAGE LAYOUT (JH)

If you have a lot of photos from the one event, but don't want them taking up page after page in your album, this class could be exactly what you've been waiting for. Jenny uses flip refills to make a 6 page spread in a 2 page space. Ask for a materials list when booking.

PAPER PIECING (DD)

Donna is being good this month, & has a description for me ☺ "What can I tell you? I have a great pattern for a couple of Mermaids - so drag out your photos of your gorgeous Mermaid, having fun, in the pool or at the beach."

FLOWERS, FLOWERS & MORE FLOWERS (JC)

If you love flowers here are some layouts for you. In this class you will do a double page layout with a flip out envelope book & lots of photos. You will also complete a single page layout, featuring even more flowers. A requirements list is available.

FLORAL FANTASY (AL)

Amanda has 2 single pages, festooned with flowers fashioned from ribbons. This class does involve some hand stitching, but the results are well worth the effort. A requirements list will be available.

DOUBLE UPS (DD)

Get more pages for your pattern. In this 2 hour class, see how easy it is to adapt the same basic sketch to make 2 very different double page layouts. A requirements list will be available.
