CARDS

It is required that newbie stampers attend the Intro to Stamping class before attempting classes that incorporate stamping.

INTRODUCTION TO STAMPING (SC)

Learn the basics you need to start stamping. This is a hands on class where you will learn all about the types of inks we use, embossing and so much more. Fun and informative. This class is also great for scrapbookers wanting to stamp in your scrapbooks. All materials supplied, no need to bring anything.

CUTTLEBUG CARDS (SN)

I have no idea what these cards will look like, as I haven't received a class description from Sarah yet. I'm sure they'll be great. Please ask for a requirements list of materials & tools not included in your kit.

THOMAS THE TANK ENGINE CARDS (RJ)

Use 1 sheet of patterned paper and a variety of Bazzill to create at least 5 unique Thomas the Tank Engine cards for those special boys in your life. Don't forget your paper trimmer, craft knife & ruler. Use your Dimensional Magic & Crystal Stickers to add the finishing touches at home.

LUCY BIRD CARDS (AL)

Come & create a set of 6 cards featuring the cutest little birdies ever! The Lucy Bird range from Imaginisce is all about flowers, birds & butterflies in gorgeous pink, yellow, green & aqua. We will be using a little bit of stamping, some hand stitching & a fair amount of handcutting to create the set. Please ask for a requirements list of materials & tools not included in your kit.

PAPERARTS

INVERTED CONCERTINA MINI BOOKLET (KT)

I haven't received a description for this class either by the time of printing. I can tell you Katrina's work is amazing. Hopefully the sample will be here in plenty of time for you to look at. Please ask for a requirements list of materials & tools not included in your kit.

SCRAPBOOKING

It is recommended that all newbie scrappers attend the Scrapbooking Intro class. You must supply all your own consumables, materials & adhesives, for all classes. Please check at time of booking for any additional class requirements.

INTRO TO SCRAPBOOKING (DB)

A free class covering the basics of scrapbooking. You will need to bring 4 photos, 2 of which can be cropped to 4" square. Basic tools will be supplied, papers and supplies can be purchased on the day.

STARBURST (RA)

This interactive page features a "flag book". Simple and yet stunning! The book opens to reveal wonderful 3D pages (kinda looks like a honeycomb effect) with plenty of room for photos & journaling. I created the layout with a travel theme - but any theme is suitable. I used 20 photos! Please ask for a requirements list when booking your class.

BACK TO SCHOOL PAPER PIECING (DD)

Yay!! The kids are back in school so it's our turn to play! Using your school colours create a school bus to transport your kids school photos into your album. Please ask for a requirements list when booking your class.

DOUBLE UPS (DD)

Get more pages for your pattern. In this 2 hour class, see how easy it is to adapt the same basic sketch to make 2 very different double page layouts. Please ask for a requirements list when booking your class.

MONKEY BUSINESS WORKSHOP (AL)

We all have someone in our lives that suits the title "Cheeky little monkey" and this workshop has been created to showcase exactly that. The Animal Stackers range from 3 Bugs In A Rug has the cutest little zoo animals on it, including monkeys, elephants, giraffes & lions. We will be creating 6 layouts in the workshop suitable for kiddie pics or even zoo trips. Please ask for a requirements list of materials & tools not included in your kit.

THREE FROM THREE (JH)

Want to be thrifty but creative too, or just love some paper so much that you want to use every last bit of it? In this class you will follow my sketches to create 3 single page layouts from 3 pieces of patterned paper. Please ask for your requirements list

FAST & FABULOUS (HM)

Follow Hannah's designs to create 3 fabulous & different pages in this 2 hour class. Please ask for your requirements list when booking your class.

KAISER WORKSHOP (JH)

Make 6 single pages using a kit that contains all the paper & cardstock you need to make these pages. The paper used is Prairie Lane, by Kaiser, in shades of blue, brown & taupe. It's very versatile & would be great with masculine, travel, outdoor, pet or heritage photos. Please ask for a requirements list of materials & tools not included in your kit.

BEHIND THE OL' FENCE (JudeH)

Make a layout that features an old paling fence with a vine growing over it. Suitable for any outdoor photo of family or friends, but maybe you would like to do something different & scrap a photo of your house, pets in the yard or travel shots. Please ask for your requirements list when booking your class.

CROPS

Bookings are essential for all crops.

EARLY BIRD CROP

If you do your best work in the morning, but fade after 8pm, this is the perfect crop for you. A Continental buffet breakfast to fuel your creative brain is included in your crop fee.

CROP NIGHTS

Come & join in the madness and mayhem of 5 hours of scrapbooking without distraction! A room of scrap-a-holics having fun, plenty of ideas, and tools* available for your use. Supper is provided. The Saturday night Pizza crop includes yummy Pizza Capers Pizza for dinner.

12 HOUR CROP

All the fun of a 5 hour crop, just more of it. Includes plenty of home cooked goodies and a delicious dinner.

CARD MAKING DAY

Card makers fight back! Just like a free crop day, only instead of scrapbook layouts, we make cards. All card makers are welcome, please call to book your place. What to bring :- anything you use when making cards, such as stamps & ink, card & paper, embellishments, Cuttlebug and accessories. Class tools, such as the Sizzix & class punches are available for your use. Please bring a plate of food to share for lunch.

ART PLAY DAY

Do you like to get your fingers dirty, playing with ink & paint? Art Play Day could be just what you're looking for. There will be a demonstration of a technique or product in the morning, and the rest of the day will be unstructured "play". Think altered books, ATC's, shrines...whatever you'd like to create, just because you can. We'll also provide lunch for you.

*Please note: The store Cuttlebug & Cricut are not available for use. If there is one being used, it does not belong to the store but is the property of another cropper.

CLASS POLICIES

Classes must be paid for when you make your booking, or as soon as possible afterwards, in order to secure your place. Late cancellations (within 48 hours of a scheduled class) will result in a forfeit of your class fee. If we cancel a class/crop, you may use your class payment as a credit towards another class, or receive your money back. Classes are for your personal use only.

If you sell and/or teach stamping and/or scrapbooking supplies & classes for financial gain, please refrain from taking our classes.

CLASS PREPARATION

To make sure you get maximum enjoyment out of your class, please ensure you have gathered your necessary supplies before the class. The store doors will be locked until 10 minutes before evening & "first up" classes are due to start, after which time the teacher will be welcoming students & helping you settle, ready to start the class on time. We are open 7 days a week, and are happy to help you pick your supplies for your upcoming class during store hours.

Please mark all of your belongings clearly, & check that you have them at the end of the class.
