CARDS

It is required that newbie stampers attend the Intro to Stamping class before attempting the more advanced stamping classes.

INTRODUCTION TO STAMPING (SC)

Learn the basics you need to start stamping. This is a hands on class where you will learn all about the types of inks we use, embossing and so much more. Fun and informative. This class is also great for scrapbookers wanting to stamp in your scrapbooks. All materials supplied, no need to bring anything.

CUTTLEBUG CARDS (SN)

This month we will be making cards with a seaside theme. These versatile cards are suitable for many different occasions. If you own, or can beg, borrow or steal a Cuttlebug, please bring it to class, along with any folders & dies. A kit will be available to purchase at the class, containing all the supplies you will need to complete your card. Don't forget your basic tool kit.

PAPERARTS

PIANO HINGE BOOK (KT)

Using the stylish range of "Communique" papers from Graphic 45 we will be constructing, binding & decorating a "piano hinge" book. This is an eye catching book that looks a lot harder to do than it actually is!! You will be able to tailor your book to suit whether you want a fabulous journal, a memory book, a keepsake book or a bit of everything. A paper kit will be available for purchase at the class, and a requirements list of incidental supplies will be available at the time of booking.

ENVELOPE BOOK (JM)

We've taken a bunch of envelopes & turned them into a funky mini book with lots of foldy out places & hidden bits to delight. Due to the multi layered style of this project, we've increase class time to 3 hours. Your base kit will include some, not all, materials. A requirements list will be available.

SCRAPBOOKING

It is recommended that all newbie scrappers attend the Scrapbooking Intro class. You must supply all your own consumables, materials & adhesives, for all classes. Please check at time of booking for any additional class requirements.

INTRO TO SCRAPBOOKING (DB)

A free class covering the basics of scrapbooking. You will need to bring 4 photos, 2 of which can be cropped to 4" square. Basic tools will be supplied, papers and supplies can be purchased on the day.

THREE FROM THREE (JH)

Want to be thrifty but creative too, or just love some paper so much that you want to use every last bit of it? In this class you will follow my sketches to create 3 single page layouts from 3 pieces of patterned paper. Ask for the materials list.

DOUBLE UPS (DD)

Get more pages for your pattern. In this 2 hour class, see how easy it is to adapt the same basic sketch to make 2 very different double page layouts. A requirements list will be available.

FAST & FABULOUS (HM)

Follow Hannah's designs to create 3 fabulous & different pages in this 2 hour class. A class materials list will be available before the class so you can prepare your photos & supplies.

FOLLOW THAT SKETCH (JH)

Follow Jenny's sketch for a double page layout, with a little extra, and then make it your own unique creation with your choice of papers & embellishments. A materials list will be provided.

CARDSTOCK CREATIONS (RW)

Cardstock comes in so many fantastic colours & textures! In this class we will create 3 fun layouts using only cardstock, inks & embellishments. A requirements list will be available.

PLAIN CHIPS (RA)

This very unique layout incorporates all things chipboard including flowers, butterflies & birds. The chipboard is left "au naturale" but given depth using ink & rub ons. The layout also includes a secret flap & pocket which can be used for journaling or further photos. A requirements list will be available.

CUTTLEBUG SCRAP (SN)

We will be creating a beautiful double page layout featuring a different twist on flowers. Bring along your Cuttlebug & C plate, & "Nestabilities" Scallop Circles if you have them, as we will be using them in an interesting technique to produce a lovely bouquet of flowers. A requirement list will be available.

SPECIAL EVENTS

PAPER PIECING WORKSHOP - UNDER THE SEA (DD)

Donna hasn't given me a description, so I'm flying by the seat of my pants on this one. I'm guessing paper piecing involving a variety of sea creatures. This 4 hour workshop will include a break for your BYO lunch.

TRAVEL ALBUM WORKSHOP (JH) * Please note, this is a repeat of the workshop held by Jenny in March.*

Are you feeling overwhelmed by piles of travel photos? Not sure what to do with all the extra "stuff" you collect on holidays, like tickets & brochures? Would you like a whole day full of loads of inspiration & good company? In this workshop you will have access to Jenny's travel albums, to copy, scrapple or inspire your own page designs. During the day, there will be mini demos, with instructions, on how to make some of the interactive elements on Jenny's pages. Bring along your photos & any paper you have, or get help on the day buying paper to suit your photos. This class would also suit any type of Event photos eg birthday, Christmas etc. Morning tea will be provided, please bring your own lunch.

CROPS

Bookings are essential for all crops.

CROP NIGHTS

Come & join in the madness and mayhem of 5 hours of scrapbooking without distraction! A room of scrap-a-holics having fun, plenty of ideas, and tools* available for your use. Supper is provided. The Saturday night Pizza crop includes yummy Pizza Capers Pizza for dinner.

CARD MAKING DAY

Card makers fight back! Just like a free crop day, only instead of scrapbook layouts, we make cards. All card makers are welcome, please call to book your place. What to bring :- your card making supplies, such as stamps & ink, card & paper, embellishments, cuttlebug and accessories. Class tools, such as the Sizzix & class punches are available for your use. Please bring a plate of food to share for lunch.

*Please note: The store Cuttlebug & Cricut are not available for use. If there is one being used, it does not belong to the store but is the property of another cropper.

If you sell stamping and/or scrapbooking supplies, and teach stamping and/or scrapbooking classes for financial gain, please refrain from taking our classes.

CLASS PREPARATION

To make sure you get maximum enjoyment out of your class, please ensure you have gathered your necessary supplies **before** the class. **The store doors will be locked until 10 minutes before evening & "first up" classes are due to start**, after which time the teacher will be welcoming students & helping you settle, ready to start the class on time.
