Dear Friends,

Debra found a poem that sums up why scrapbooking is important.

Strangers In The Box

Come look with me inside this drawer

In this box I've often seen,

The pictures black & white

Faces proud, still, serene.

I wish I knew the people,

These strangers in the box.

Their names & all their memories

Are lost among my socks.

I wonder what their lives were like?

How did they spend their days?

What about their special times?

I'll never know their ways.

If only someone had taken the time,

To tell who, what or where...

These faces of my heritage

Would come to life again

Could this be the fate

Of the pictures we take today?

The faces and the memories,

Someday to be passed away.

Make time to save your pictures,

Seize the opportunity when it knocks;

Or someday you & yours could be

The Strangers in the Box!

MAKE 'N' TAKE MORNING

Celebrate the arrival of Spring at our make n take morning on Saturday 1st September. We have hourly sessions starting at 9:30am. Bookings are essential to secure your place.

MEET GUEST TEACHER,

JINI MORSE

Jini is in her mid thirties, married with 2 children, Hugh & Sekora, 9 & 8. Nine years ago with her first child's thank you cards pending, Jini bought her first rubber stamp & was forever hooked on stamping. Over the next few years Jini dabbled with paint, paper, inks & photos. Oops, that's called scrapbooking! Jini loves nothing more than experimenting with different mediums & coming up with unique results.

When describing her scrapbooking style, Jini admits to being quite a chameleon: her style changes for the purpose of each project or page. From a basic page with detailed journaling to a more art orientated project Jini is definitely most comfortable working without a planned blueprint & as a result her mistakes appear to be part of her overall plan.

Jini has taught retail classes in Brisbane and previously taught wholesale classes throughout Australia. She is looking forward to meeting you and sharing her ideas with you. Samples of Jini's work can be seen in store.

Just a reminder ...

that taking photographs of layouts is not permitted. You may take sketches of store samples, but not of teachers layouts. If in doubt, ask Debra or Shona. **While a class is in progress, the classroom area is for class participants only.** We have free table time during the week, and you are welcome to use our tools then.
